

# SPOTTSWOODE

## 2014 Lydenhurst Cabernet Sauvignon

**THE NAME** Lydenhurst comes from our Estate's storied past—Lydenhurst was one of the former names of the historic winegrowing property that is now known as Spottswode. Fragrant Linden trees planted around the gazebo in the late 1800s provided the inspiration for the name, and though only the center pole of the gazebo remains, the trees still bloom in our beautiful gardens today. We chose an image of our pre-prohibition stone winery building to grace the label.

Spottswode's long history as a family-owned wine estate, along with our deep winemaking expertise and passionate attention to detail, allows us to craft a Cabernet Sauvignon that is alluring, expressive, and delicious. Lydenhurst is made with the same care and intention as our Spottswode Estate Cabernet and offers the depth, character, and quality for which we are known.

*Winemaker Notes:* The 2014 Lydenhurst Cabernet Sauvignon is fruit forward, supple, and demonstrative. Made from grapes grown in our estate vineyard along with those from other exceptional sites, Lydenhurst is a compelling Napa Valley Cabernet Sauvignon, bright and beautifully balanced with abundant youthful appeal—the perfect wine to drink while your Spottswode Estate Cabernet ages gracefully in your cellar!

---

**SOURCE OF GRAPES**

Spottswode Estate Vineyard, St. Helena  
Darms Lane, Oak Knoll  
Knightsbridge, Knights Valley
