

SPOTTSWOODE

2016 Spottswode Sauvignon Blanc

WE HAVE been committed to producing an exceptional Sauvignon Blanc for three decades, which we make with the same intention as our Estate Cabernet Sauvignon. Crafted with great care from fruit grown in exceptional soils, it is a serious and expressive wine with structure and sophistication.

This classically styled Sauvignon Blanc comes from some of the finest vineyards in Napa Valley and on Sonoma Mountain as noted below, as well as grapes from our own Spottswode Estate Vineyard.

Winemaker Notes: Layers of flavor and beauty—juicy and inviting, with a mélange of white peach, guava, and nectarine. A wine of great complexity—there is a sense of creaminess (lemon meringue comes to mind) juxtaposed with a bright freshness that offers lift and vivacity. This is a beautifully crafted wine—expressive, balanced, and sophisticated—displaying all that is best in Spottswode Sauvignon Blanc. A mouth-filling wine of great presence and breeding.

SOURCE OF GRAPES

Spottswode Estate Vineyard, St. Helena
Farina Vineyard, Sonoma Mountain
Hyde Vineyards, Carneros
Murray Vineyard, Sonoma Mountain
Pelkan Vineyards, Knights Valley
Stagecoach Vineyard, Atlas Peak
