

SPOTTSWOODE

2019 Lydenhurst Cabernet Sauvignon

PART of Spottswode's storied history inspired the name Lydenhurst, a tribute to the fragrant linden trees that still bloom in the gardens today. Lydenhurst Cabernet Sauvignon is a dynamic and inviting wine made from grapes grown in our Estate Vineyard blended with those from other acclaimed family-owned vineyards. The relationships we have cultivated with our fellow farmers allow us to learn about and explore other appellations throughout Napa Valley. These collaborations have also allowed us to share our enthusiasm and commitment to organic farming, with the vision of encouraging positive change in our winegrowing community. Our long history as a family-owned winegrowing estate, along with our deep winemaking legacy, enables us to craft this Napa Valley Cabernet Sauvignon, whose every vintage is authentic and compelling.

Winemaker Notes: Fresh notes of crushed bramble, cassis, and red cherries underpin subtle aromas of lavender, cedar, and spruce. Mineral nuances of wet slate add structure, while the tannins remain silky and supple despite the wine's youth. A beautiful wine to be enjoyed now and for years to come.
