

SPOTTSWOODE

2021 Spottswood Lyndenhurst Cabernet Sauvignon

The Wine Independent, Lisa Perrotti-Brown

94+ POINTS

The 2021 Lyndenhurst Cabernet Sauvignon is composed of 79.2% Cabernet Sauvignon, 10.6% Merlot, 3.8% Petit Verdot, 3.5% Cabernet Franc, and 2.9% Malbec. Deep garnet in color, it comes bounding out of the glass with exuberant notes of blackberry pie, plum preserves, and warm cassis followed by suggestions of roses, Indian spices, and menthol plus a waft of aniseed. The medium-bodied palate has impressive energy, with great tension and fine-grained tannins supporting the vibrant fruit, leading to a long and perfumed finish on this impressive wine. (January 2024)

94 POINTS

A juicy red with black currants and balsamic. Bark and mushroom. Iodine, too. Medium body, creamy texture that tightens at the end. An energy and firmness in the finish but remains so attractive. Savory. Hard not to drink now. So do, but will also age nicely. (November 2023)

94 POINTS

The second wine of this incredible estate, the 2021 Cabernet Sauvignon Lyndenhurst reveals a deep purple hue as well as a great nose of assorted currants, black cherries, tobacco, and lead pencil. It's beautifully concentrated, has medium to full-bodied richness, and ripe tannins, all making for an undeniably delicious, classic, balanced Napa Valley Cabernet Sauvignon to drink over the coming 10-15 years. (December 2023)
