

SPOTTSWOODE

2021 Spottswode Estate Cabernet Sauvignon

SITUATED on the western edge of St. Helena in Napa Valley, the Spottswode Estate terroir is ideal for winegrowing. The alluvial clay loam from the Sulphur Creek fan provides superb drainage while cool maritime breezes passing between Spring Mountain and the Mayacamas range allow the fruit to ripen evenly.

Originally established in 1882, the Spottswode Estate has a distinguished history in Napa Valley. Stewarded by second-generation sisters, Beth and Lindy Novak, our 42 acres are planted primarily to Cabernet Sauvignon, with small blocks of Cabernet Franc, Petit Verdot, and Sauvignon Blanc.

At Spottswode, grapegrowing and winemaking are intimately linked. In addition to the health and resilience that organics and biodynamics have brought to our vineyard, the individual attention given to each block contributes to the consistent quality and unique characteristics of our wines.

Winemaker Notes: Stunning! Beautiful aromatics of candied violet, blackberry, blueberry yogurt, and cassis. Powerfully expressive with sturdy, firm tannins, generous acidity, and a long lively finish marked by cedar and toffee notes. An elegant vintage, this spectacular wine captures the essence of the Spottswode Estate Vineyard. It is fresh and youthful now with a long life ahead.

SOURCE OF GRAPES

Spottswode Estate Vineyard
Organically farmed since 1985
